

LIVING OUT YOUR FAITH.....

CHURCHES BLESSING OTHERS WITH THE LOVE OF JESUS **Love In Jesus Name**

THE ROAD AHEAD!

Greetings current and former supporters: We are no longer affiliated with the national Love In the Name of Christ organization, so we had to change our name. We are "**Love In Jesus Name**", the name changed but our mission remains the same, *mobilizing the local churches to reach out into the community.* These are uncertain times we are living in today. People staying home from church, cut backs in funding and programs will add to the burden of helping families and individuals in need. To know the direction ahead for Love **In Jesus Name** can be a daunting task for the ministry. Yet, we at Love IJN stand firm that Jesus never changes, and the ministry "In the Name of Jesus" will hold on to that promise. It is a faith walk each day to meet the needs of the ministry and those of the people who call for help. There is hardly a family that contacts the Love IJN Clearinghouse that has not been touched in some way by the economic crisis.

Uncertain times call for clarity and courage in leading this ministry. **CLARITY** reveals the direction to move forward. **COURAGE** is the willingness to pay the price to get there. Listen churches, donors and friends: The *road ahead* will need to be traveled together Christians and Churches need to reach out to combine resources to help others. The need is to put *charity* back into the hands of compassionate believers who follow the example of Christ. Hebrews 12:1-2 tells us "...let us run with perseverance the race marked out for us. Let us fix our eyes on Jesus, the author and perfecter of our faith.."NIV Going forward, it is the prayer of Love IJN to run a race with others in clarity and courage. It will take the body of believers running a race that requires us to encourage others to join the race. Myself and the Board hope that all of our supporters and volunteers will join us on the **road ahead** that leads to the love of Jesus.

"I just started training for a job, and when I got home my electric was off. Thanks to Celina, and a Love participating church I was able to get it back on the same day".

Love my birthday flowers.....extra special blessings...
Celina..

Jan, had an appt. for eye surgery. Upon arriving at the eye center, the procedure was cancelled because she was not aware that she had to have someone sit with her after the procedure. Thanks to Marlin of Stow Alliance Fellowship, who volunteered to sit with her after the procedure.

LOVE IN ACTION

For over 18 years, Redeemer Lutheran Church members have blessed Summit county families with appliances, furniture, and numerous household items..... "living out their faith"

"Greetings in Jesus Name. I came to serve as Senior Pastor of Redeemer Lutheran Church in 2017. I am committed to the study of God's Word, not solely for study but to be built up in a life of discipleship so that all people may join Jesus on the mission He has for Cuyahoga Falls and the surrounding communities. While it is important to know what God's Word says, it is equally important to put the faith the Holy Spirit grows and forms in us into practice. Our God is a **sending God**, and He sends His people into the community so that they may meet Jesus in us as we reflect His love to others. " Pastor Paul

I want to express my deepest gratitude for those who have supported this ministry. Whether it's through prayer, sharing of your time, product donations or financial investments, we are only successful in this mission because of your generosity in Jesus Name. You are the reason that we are able to do what we love each day.
